Final plate design is pending approval from the Tennessee Department of Revenue (DOR), Vehicle Services Division.

What plate proceeds could support

A share of specialty plate fees could help older and vulnerable Tennesseans.

- **Prevention close to home**
  Print safety guides and bring workshops to rural and underserved communities.
- **Help after exploitation**
  Give victims and families clear guidance on reporting and finding local support.
- **Training for people who can intervene**
  Help bank staff, aging services and law enforcement spot and respond to exploitation.
