SENIOR-CENTER EDITION

NOVEMBER 16, 2026

THIS WEEK'S ACTION

If a caller says to move money to protect it, hang up and call your bank using a number you already trust.

HANG UP. CALL YOUR BANK.

Someone says your account is at risk? A real-sounding voice or a warning on your screen does not make it true.

USE A NUMBER YOU ALREADY TRUST

Do not call the number in a pop-up, text or email. Do not mail cash, buy gift cards or move money to a “safe” account. Call your bank using the number on your card. Tell a trusted person what happened.

MEDICARE: COMPARE COVERAGE BEFORE DECEMBER 7

Check your doctors, medicines and costs. Look for charges for braces or tests you did not request. For free plan help, call TN SHIP: 1-877-801-0044. For suspected Medicare fraud, call TN SMP: 1-866-836-7677.

STOP. VERIFY. REPORT.

Money sent? Call your bank or payment company now. Save receipts and messages. Report internet crime at IC3.gov. Worried someone is being hurt, neglected or exploited? Call Tennessee APS at 1-888-277-8366. In immediate danger, call 911.
